

GOOD HELP WANTED

If you are looking to start a new career or just make a change in your work direction, then read on...

Bob King Auctions has continuously moved forward in the commercial auction and appraisal business. We are at a point where we need:

1. Motivated people – young, old or in between. Preferably breathing!
2. Work is generally 7 or 8:00 a.m. until we finish...some weekends.
3. You will be reviewed at the end of the first week for compensation. No two people are the same. We will be fair.
4. We are in the urgency business, so everyone must work as a team.
5. We are located just off I-90 West and IL Route 31 in Elgin, IL.
6. If you qualify, you can start almost immediately.
7. We are a non-smoking company, so if you smoke, don't waste our time or yours.
8. You must have a current Illinois driver's license.

Call me at 847 363-2268.
